

## **Department Training After Action Report**

| Date of Training:              | District:                   | Post:           |  |
|--------------------------------|-----------------------------|-----------------|--|
| Trainer's name:                |                             |                 |  |
| Curriculum(s) used:            |                             |                 |  |
|                                |                             |                 |  |
| Post(s) present:               |                             |                 |  |
|                                |                             |                 |  |
|                                | t:                          |                 |  |
|                                |                             |                 |  |
| Number of critiques enclosed:  | (These are to be mailed wit | th the report.) |  |
| Primary concerns of attendees: |                             |                 |  |
|                                |                             |                 |  |
|                                |                             |                 |  |
|                                |                             |                 |  |
|                                |                             |                 |  |

## **Training Critique**

| Training Date:  | Post #: |
|---|---------|
| What topic(s) were of most value to you?  |         |
| Which topic(s) were of least value to you?  |         |
| How could training be improved, or an additional topic(s) you would like discussed?   |         |
| Did your facilitator present the topic(s) in a clear and understandable format?   Yes   | □No     |
| Would you attend another training session?   Yes   No  Would you recommend this training to others at your post?   Yes   No  If not, why? |         |
| Any additional feedback?  |         |
|   |         |
|   |         |
